

Kasasa Eats with Kasasa Saver - Truth in Savings Disclosure

This disclosure contains the rules that govern your deposit account as of November 1, 2021.

Account Overview:

- Kasasa Eats: A free variable reward checking account with no minimum balance that rewards accountholders with nationwide ATM withdrawal fee refunds and cash back on debit card purchases made with specifically identified (a) national food delivery services; (b) national grocery store chains and (c) local stores designated by their community financial institution when they meet minimum qualifications during the account's Monthly Qualification Cycle. Please refer to <https://www.kasasa.com/eats-partners> or visit one of our locations for a current list of valid Kasasa Eats merchants.
- Kasasa Saver is a free, variable rate, deposit account with no minimum balance that rewards accountholders with interest when they meet the minimum qualifications associated with their linked Kasasa Eats checking account during each Monthly Qualification Cycle.

Purpose and Expected Use of Account

This account is intended to be the accountholder's primary checking account in which day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled. Commensurate with these spending activities, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range.

Examples Of Inappropriate Use: Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions, and other activities, that appear to be conducted with the sole purpose of qualifying for the account's rewards will be deemed inappropriate transactions and will not count toward earning the account's rewards. Accountholders who persist in making debit card transactions, and other banking activities, in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether.

Our Rights: Gulf Credit Union reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. We have the right to close this account at any time, with proper notice. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use (defined by our institution as having a minimum of 12 debit card transactions post and settle each cycle period) over 6 consecutive Statement Cycles.

Ramifications of Account Closure: Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account or any portion of the account is closed, you will forfeit any rewards that have not been credited to your account. A Gulf Credit Union check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Eats with Kasasa Saver account, any optional add-on products / services associated with this account will also be terminated at the same time.

If, for whatever reason, the Kasasa Saver portion of your account is closed, your account will automatically be converted to a standalone Kasasa Eats account and only the Kasasa Eats terms and conditions articulated within this disclosure will apply. If, for whatever reason, the Kasasa Eats portion of your account is closed, your Kasasa Saver account will automatically be converted to a standalone savings account and its associated terms and conditions will apply.

Interest Rate & Annual Percentage Yield (APY)
