

Kasasa Play - Sample Truth In Savings Disclosure

This disclosure contains the rules that govern your deposit account as 11.1.2021

Account Overview:

Kasasa Play: A free variable reward checking account with no minimum balance that rewards accountholders with nationwide ATM withdrawal fee reimbursements and refunds on debit card purchases made with specifically identified (a) video; (b) audio; (c) gaming and (d) other digital streaming services when they meet minimum qualifications during the account's Monthly Qualification Cycle. Please refer to <https://www.kasasa.com/play-partners> or visit one of our locations for a current list of valid Kasasa Play merchants.

Purpose and Expected Use of Account

This account is intended to be the accountholder's primary share draft account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. For example, five debit card transactions, each for a dollar, conducted at a convenience store, two days before the end of the cycle would not be considered by our institution as normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and may not count toward earning the account's rewards.

Gulf Credit Union reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different share draft account or closed altogether. We also reserve the right to convert the account to a different share draft account if the account does not have consistent active use (defined by our institution as having a minimum of 12 debit card transactions post and settle each cycle period? over 6 consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Gulf Credit Union check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Play account, any optional add-on products / services associated with this account will also be terminated at the same time.
